Desktop

HO-TBL-PCTCBK-00

#### Tab Clip

For Display Size 6" ~ 10"  
Devices

#### Placement

##### a Windshield

Can be placed on both driver and passenger side for multi-purpose use.  
\*For optimal results, clean desired windshield area before commencing attachment.

##### b Dashboard

Provides an added placement option depending on user preferences.  
\*For optimal results, use on flat surface.

#### Instructions of Use

1. Before using this product, please make sure you have cleaned the windshield or dashboard surface as to ensure best possible suction.
2. Place the circular suction plate onto the windshield or dashboard.

3. Push the suction lever towards the windshield or dashboard until it becomes fixed.  
To remove the suction plate, simply press both sides of the suction plate lever and pull upwards to activate the release mechanism.

#### 4. Reusable and Washable

Over time dust and dirt may accumulate, resulting in below optimal performance of the suction pad. Simply wash with water and dry off with a standard cloth to reuse and restore optimal performance.

#### Rotation & Features

#### English

##### a Windshield

Can be placed on both driver and passenger side for multi-purpose use.

##### b Dashboard

Provides an added placement option depending on user preferences.
